## NOTICE

### (For Madhyamik 2024 Batch)

Dear Parents/Guardians,

This is for your kind information, those students who have not yet taken admission in class XI for the Academic session 2024-2025 and wish to do the same, may come to school on 09/05/24 (Thursday) or 10/05/24 (Friday) at 11:00 a.m. to facilitate such students, the admission procedure has been extended and shall be in vogue on Thursday, 09.05.2024 as well as Friday, 10.05.2024.

Also note, from the 2024-2025 session, we have introduced English as medium of instruction for Science and Commerce students. So we are going to follow the section-wise pattern given below: —

#### **SECTION A—**

(\*Science + Commerce \*having English as medium of instruction)—

Except the subject-Bengali all other subjects shall be taught in English.

#### **SECTION B—**

(\*Science + Commerce \*having Bengali as medium of instruction)—

As in previous years, students of this Section shall be taught bilingually i.e. both in Bengali as well as in English so that they can write their answers in either of the languages as per their choice. They will get bilingual question papers during their examinations as well.

#### **SECTION C-**

(\*Humanities \*having Bengali as medium of instruction)—

As in previous years, students of this Section shall be taught bilingually i.e. both in Bengali as well as in English so that they can write their answers in either of the languages as per their choice. They will get bilingual question papers during their examinations as well.
