### An appeal to clear all dues with reference to SCHOOL FEES

**Dear Parents/Guardians,**

Hope you are safe and taking all precautionary measures to keep yourself safe during this present pandemic situation due to Covid-19.

We hope that all parents and guardians realise the herculean task that teachers are doing for their wards so that their studies are not hampered in any manner. We would thereby like to thank those many parents and guardians who in spite of all odds have felt it their moral duty to submit the school fees knowing very well that an educational institution meets a lion's share of its expenditure from school fees only.

However, there are parents who have unfortunately not yet paid the school fees. In spite of adverse situations, the school is employing all plausible means to continue teaching its students without any disruption. So, we humbly appeal to each one of you to make a sincere effort to clear the regular school fees till date.

**Kindly note only those parents who are unable to pay the regular school fees may apply for concession stating the reason along with necessary relevant supporting documents. Applications for Concession along with the relevant supporting documents must be submitted to the school latest by 25<sup>th</sup> June, 2021.**
