

NOTICE
(For Classes Nursery & KG)

Dear Parents/Guardians,

Greetings in the name of our Lord !

Hope all of you are in good health and taking all precautionary and safety measures to combat the deadly Covid-19 pandemic. We pray that all of you Stay Safe by Staying at Home. It has been a challenge to us as educators for not being able to physically meet and communicate with our little learners, especially our Nursery and KG kids.

We want our students to know that even though we aren't together, they are still very much loved by us and everything we do, is for them. We, as elders should always realise and understand that these little ones are now in a vulnerable situation and need our special care, support and protection because of their tender age. As such, we, as their teachers, have been striving to continue to find various means of working as a team and reaching out to them.

We are glad to inform you that we have already started Online Study classes for our students of classes I to XII. However I believe, such classes will not be much beneficial for our Nursery & KG students as they are too small to comprehend classes held online. So, we have arranged weekly assignments for them that we shall keep uploading on our Website on a weekly basis. We request you, as parents and guardians, to help us in this endeavour by ensuring that the little ones practise whatever assignment we shall be allotting them so that when they re-join school they can catch up easily with our Class Room Teaching. Please note that these assignments shall be given from 4th May, 2020.

Hope and pray that we shall all be able to tide over this period of crisis and once again start afresh by God's grace. Love, blessings and prayers for our dear little ones. Waiting eagerly to meet them soon.

Regards,

Helen S. Sircar
Principal
Christ Church Girls' High School (H.S.)
